Experience	One year as an articles clerk at JCB Incorporated auditing firm (2017).
Objective	<p>I finished school in 2011 after which I did my B.Comm degree in Financial Accounting and graduated in 2015 then started doing my Honours in 2016 and started my articles at JCB Incorporated in 2017 where I worked as a auditing clerk and studied part time. During that time I decided that it would be better to male a career change as I was not happy in my position. I changed to IT and I am currently busy with my BSC IT degree at NWU Vaal Campus. My goals are to gain experience and building people skills as well as well as to eventually move to Europe and to build a life there with what I am able to gather here in the mean time during my studies and possible employment opportunities.</p>
